Hi all,

I hope you are well and had a good half term. Just a reminder about the meeting we had planned with your governor in January and to advise that I am already booking meetings for next year. If you have a date in mind, it might be better to book sooner rather than later, so am sending you this link so you can check my availability and book directly:

I look forward to hearing from you.

Dear Andrea, Sarah and Mark,

Thank you for your time today and for the updates. I really appreciate it. I have changed both Sarah and Mark's logins to be administrators, but please let me know if you also need a password change if you haven't accessed the Knowledgebank for a while.

I have attached details of our meeting and some extra information that may be useful. I am also attaching a short video (there is no sound) which will show you how to set ToDo's for staff for the training courses which I think might be useful. Details of the meeting are also attached to the SLA which can be viewed via your Organisation in the Knowledgebank.

We agreed that our next meeting will be in January and that you would send a date once agreed with your Governor and look forward to speaking to you then.

Many thanks,
