Hi Amanda,

Apologies - I have just found this in my drafts so sending through now!

Thank you for your time this morning. It was lovely to meet you. Please find attached a short report covering some of the items we discussed and some useful links for you. I have attached some of the latest template policies as discussed. I have also attached a very short video with no sound which shows you how to assign a course to staff in the Knowledgebank which might be useful as it is possible to assign courses at any time and give staff a good amount of time to complete them. All of these templates can be found under the Resources section in the Knowledgebank.

I look forward to seeing you in December for the Making the Rounds (data audit walk).

Many thanks,

Tammy Buchanan
