Hi John and Mark,

Thank you for your time today, it was really appreciated. I have attached a short report which includes details of what we discussed and the links and pointers to additional information that you need.

I have also attached:

- SampleFormat.csv - the user template file for you to populate (you need to make sure that keep the first line as it uses this during the import process) - please remember to send an email to staff to make them aware that they will be added on and will receive an email of login details as it may go into junk.
- How to Assign a course video, which can only be done when all staff are on the Knowledgebank.
- All of the data privacy notices, data protection policy, SAR procedure, breach procedure - this link to the Knowledgebank will give you access to any other model policies or procedures you require:  
<https://dataprotection.education/best-practice-library/documents/procedures>. I would recommend you check on there each time you update a procedure or policy in the future to see if a template has been updated as this is done regularly by the team.
- I have changed AM to have a staff role rather than admin on the DPE Knowledgebank.
- I have added Natalie to the Knowledgebank as an administrator and have copied her into this email so she knows that she will have received a credential email from us.
- I have sent through the meeting request for the Making the Rounds visit on the 15th December.
- Here is an example of how some schools present their data protection information on their websites which may help:  
<https://www.trowseprimaryschool.co.uk/key-information/gdpr>

I suggest that we also book in another short meeting in January to get an update and for feedback from the December visit - please use this link to check my availability and book a time that is convenient for you. This link could also be used by Natalie to book a meeting with me, or for a Knowledgebank walk through if required:

If there is anything else you need, please do not hesitate to contact me, otherwise I look forward to meeting you on the 15th December.

Many thanks,

**Tammy Buchanan**
