Hi all,

Just following up on this again to try and book a meeting before the end of term. To make it easier for you, I have put a link below which shows my availability allowing you to book a date and time that suits you:

<https://go.oncehub.com/DPEIntroductoryOnlineMeeting>

I would advise booking a meeting so we can discuss your current data protection status. I have just had a quick look on your website and would advise that your Data Protection Policy was due for renewal in September 2021 and so is out of date. Our Knowledgebank can provide templates for all data protection related policies and procedures to help you with this and we could discuss this further in a meeting

I look forward to hearing from you.

Many thanks,

Hi Victoria,

Thanks for your email, following on from Arrienne's email last week I wanted to follow up and try to book an introductory half an hour meeting with you. It would be a meeting whereby we could all introduce each other, I could learn more about where you are with your data protection and we could work on a plan for the year ahead.

I am very aware that it is a busy time for schools, so would welcome you sending me dates and times that would be convenient for you and am currently booking from the week of the 3rd October. My contact details are below, or you can reply to this email or add a ticket to the Knowledgebank - I look forward to hearing from you.
