Good afternoon Tammy,

I am going to have to be most annoying and ask to move our meeting next Thursday as I am now required to attend a different meeting off site.

So sorry to be one of those people, but I hope that we might be able to find an alternative day and time. Are you able to let me know some potential availability for you and we can compare diaries.

Apologies again.

Kind regards,

Alister

Hello Tammy,

Please accept my apologies for allowing your earlier message to slip past me.

I would be more than happy to meet with you.

I don't have typical days where I am 'free' as you can imagine, but the 17<sup>th</sup> November itself is free all morning and up until 1.30pm, if you have a slot that day.

If not, then it's pot luck for other days, but feel free to give me any slots on days you might have and we can go from there.

Kind regards,

Alister

Dear Alister, Sue,

Welcome back - I hope that you've had an enjoyable summer!

I'm writing to let you know that we've appointed a new school consultant, Tammy Buchanan to cover the South East and she will be looking after you from this point, whilst I spend more time on core-DPO functions and general business operations.

Tammy brings years of experience managing information technology for primary schools and a multi-academy trust and is a huge asset to Data Protection Education. She is cc'd in this email and will be in touch to arrange our programme for the year ahead shortly. If we have an existing appointment booked for this term, that appointment will still be valid.

If you have any questions, please do contact me or email at the usual address:  
[dpo@dataprotection.education](mailto:dpo@dataprotection.education)

Kind regards,

James
