Hi Paula,

Thank you for your time this week and talking me through how the BILTT central team and the schools fit together. I thought I would send a quick summary of our meeting this week.

We discussed the best way forward for the next year:

- You and I meet termly

- I arrange an initial meeting with the GDPR champions and then half termly if possible (email sent to everyone with some dates) to see where they are with data protection. For your information and with a view to you helping facilitate that meeting the dates I have offered are:

Monday 28th (afternoon)

Wednesday 30th (afternoon)

Monday 5th December (afternoon)

Tuesday 13th December (afternoon)

I can only hold these dates for a short amount of time before they may get released to other schools.

- We agreed that I would connect with Paul Panter to set up a meeting to discuss Information Security and Data Retention - I have already done this.

- I will update you with the details of the GDPR Champions meetings to ensure that the BILTT message is consistent.

- I think it might be useful for all the GDPR champions who are admins on the Knowledgebank to be admins for all of the schools and not just their own - at the moment there is a mixture of where some are and some aren't?

Please let me know if I have missed anything.

Many thanks,

Tammy Buchanan
