Hi Joanne,

Thanks for your time today, it was really good to meet you. Please find attached a short report covering the information we talked about and some additional links and information.

I have also attached:

- Template data protection policy
- Template SAR and Data breach procedure
- Template privacy notice as it also contains a template table of what's needed for supplier information. Although I would also suggest looking at this website as it may give you some help too:
[Trowse Primary School - GDPR](#)
- Template CSV files for adding other staff members for you to populate and return to me - I forgot to say please email staff and let them know that you are adding them on as they will receive a login credentials email that they won't know what it is for and may go into junk
- Video of how to assign courses to staff to use when you are ready
- There is a section at the end of the document about awareness which gives you links to posters etc for you to print and display which is also a form of training

If you need any further information please do not hesitate to contact me. Have a good weekend.

Many thanks,

Tammy Buchanan
