Hi Natalie,

Thank you for your time today, it was really good to meet you and apologies for all the actions. As discussed, please find attached:

- csv file for the staff to be uploaded to the Knowledgebank. As a reminder please send them an email before you do it so that they know to expect the login credentials. Please feel free to send the csv file to upload for you.

- a short video on how to assign courses to people

I look forward to seeing you on the 15th December for the Making the Rounds visit, in the meantime please do not hesitate to contact me if you need any further help.

Many thanks,
