Hi Steve,

Thanks for your time today. Please find below a summary of what we discussed and plans moving forward:

- We discussed the Pace agreement which you have now sent through for me to forward to Victoria for due diligence
- You gave an update of the Federation becoming a MAT
- We discussed supplier due diligence and I gave an update of where DPE are in this process but will have more to discuss in the New Year, but this work is ongoing and being worked through.
- We discussed the training day for January 5th to include the following:
 - The training will be 60-90 mins at each school
 - Require in depth data protection training as normally have a 15-20 minute session online annually
 - Mixture of teaching and support staff, including admin
 - DPE is the DPO with yourself and Maurice as deputy DPO's
 - Want to relate the data protection back to what that means in the classroom (i.e. full names, dob's, photos on walls, emailing wrong person, emailing multiple subjects)
 - Data Protection policy - what is a data breach and what if you find one?
 - Data Protection policy is regularly updated in the weekly bulletin
 - Liability in a breach situation
 - Pigeon holes have gone - explain why.

We agreed to have another catch up meeting on Friday 27th January at 10am to discuss how the training went and plans for the half year report and I will send that meeting request through shortly.

If I have forgotten anything, or you want to add anything, then please let me know. Have a lovely Christmas.

Many thanks,

Tammy Buchanan
