Hi both,

Thank you for your time last week and for showing me around your school; it was lovely to meet you both in person. I have uploaded all of the details from my notes to the Making the Rounds on the Knowledgebank. It can be found by logging in and then going to **My activities -> Making the Rounds**.

For ease of use, and as you asked for a report, I have put this into a Word document. The system does not currently automatically produce reports (although this is being worked on), so it has taken some time to get it into this format. I have put some recommendations and links to areas in the Knowledgebank for advice on the areas of concern that we discussed, so please find attached.

As discussed, I would advise that we meet online again either at the end of January or beginning of February to discuss where you are with the items listed in the report, it would also be good to get a better understanding of your Information Security and Retention.

Please use this link to check my availability and book a date and a time that is convenient for you both:

In the meantime, if you have any questions about anything please do not hesitate to contact me, otherwise have a lovely Christmas.

Many thanks,
