Hi Oona,

I could offer the 2nd February as an in person meeting or 6th February online anytime between 10 am and 3pm or the 7th February at 2pm online?

It would be helpful if you have anything specific that you would like me to cover if you could let me know?

If those dates don't work, then please come back to me and I will have another look.

Many thanks,
Tammy

Hi Tammy

Thanks for getting back to me so promptly. The training would be for our 4 members of SLT: Headteacher, Deputy Head, Assistant Head & School Business Manager. If you could send over a few date options that would be great.

Look forward to hearing from you James re: redacting service.

Best wishes,
Oona

Hi Oona,

Thanks for your email and it was good to meet you too. Yes, training for SLT sounds like a good idea moving forward from our last meeting - are you able to advise on numbers and who might attend to give me an idea? And then I can look at dates etc.

Yes there is a redacting service, I have copied James in so that he can let you know the cost and how it works.

I look forward to hearing from you,

Many thanks,
Tammy

Hi Tammy

Great to meet you the other day.

Following on from that, we have been having discussions here as to who will be taking over from me overseeing the day to day SAR & FOI requests. As such, we would like to have training provided to our SLT as soon as possible. I know that there are the various courses that can be completed online, but we were wondering whether you would be able to provide a training session either in person or online?

The other query we had was whether DPE offers a redacting service? I have previously used the redaction tool on the website (which I think is fab!), but the thinking here is that no one person will have the capacity to do this within their current responsibilities.

Look forward to hearing from you on the above.

Best wishes,

Oona
