To: Phil.Marshall@edgbarrowschool.co.uk

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi Phil,

Thanks for your time today. It was good to meet you and get things going with data protection with DPE. Please find below some of the details and relating actions that we discussed:

- I will discuss with James about a phishing simulation for Hatch Ride for next term following their data breach
- We agreed for the moment that any DPE contact will come through you, but you wish to set up some staff on the Knowledgebank. Information on how to do that is here:

To **set new staff** up on the DPE website and **remove leavers**: DPE **Dashboard** -> **Users** -> Add staff, either manually or bulk import. The bulk import option will allow the download of a template file which can be populated and uploaded. It is recommended that staff are advised beforehand that they will receive an email with login details as it may go into junk/spam. Kalina at DPE (client support) is here to help you and can be contacted for support at:

<mailto:kalina.voyvodova@dataprotection.education>.

- I have attached the template csv file for the staff to bulk upload
- Once staff are uploaded you will be able to assign courses to them. In the first instance we would recommend an Introduction to Data Protection, followed by How to avoid a data breach
- It is worth considering different types of courses for the different types of staff depending on what data they have access to
- I have attached a short video that will show you how to assign courses when you get to that stage.
- I also mentioned that you might find the Compliance Manager useful for checking that staff have read policies, documents and procedures
- I have attached an infographic which you will find useful for practical purposes for working in school and helping teaching staff understand their role in data protection
- I did speak to James about your PTA and our conversation and he advised to be wary of any marketing emails that could be sent from the PTA advertising their events as this is not normally covered in the usual consent that a school would send out as per the ICO advice: <https://ico.org.uk/for-organisations/guide-to-pecr/electronic-and-telephone-marketing/electronic-mail-marketing/>
- We agreed that I would send you some proposed dates for doing a Making the Rounds (data walk) and Sandhurst and Edgbarrow. The visit will take between an hour and an hour and a half depending on the size of the schools. Wednesday 8th February at 10am or 1:30pm, Wednesday 15th March at 10am or 1:30pm or Thursday 16th March at 10am or 1:30pm. If none of those dates work, then please come back to me and I will have another look.
- I will shortly send through the invite for our next meeting for the 19th January at 11:30am
- I have already emailed Kalina to arrange a Knowledgebank demo for you.

As mentioned previously if you have any other questions, please do not hesitate to come back to me or email dpo@dataprotection.education.

Have a lovely Christmas,

Many thanks,

Tammy Buchanan
Data Protection Consultant
