Hi both,

Thank you for your time today, it was good to see you both again. Here is a summary of what we discussed:

- You are working on your data protection policy and privacy notices - you have sent me some to review so I will spend some time this week looking at them.
- You are working on your third party supplier list. I have attached a sample list of the types of data you might share with third parties to help you with this (data type list.xls). I reminded you to look for where you record Safeguarding information and any third party connectors with your MIS such as groupcall or Wonde.
- We discussed the supplier list that you have and advised checking the retention details for the photographer and use of photos on social media accounts. I checked about social media retention in relation to old posts and have attached the Photo and Video Guidelines from the Best Practice area as it recommends older posts are removed after 12 months. It also says to avoid using names with photographs - so in the case of the photos with certificates I think this needs looking at for Crowthorne CofE as it should be avoided in this format.
- I will shortly send through the invite for the Making the Rounds visit in March.

I look forward to seeing you then, have a lovely Christmas!

Many thanks,

Tammy Buchanan
