Hi Patrick,

Thank you for your time today and for explaining how the AFACT schools work together. Please find attached:

- a short report covering the items we talked about
- the template policies and procedures we mentioned
- the template csv for uploading users (SampleFormat.csv) - please complete and return to me and I will upload for you. Just a reminder to email everyone before to let them know they will receive a login for the Knowledgebank as it may go into junk
- here is a link for use for later when you need to assign training courses to staff:
<https://dataprotection.education/news-top/news/165-using-the-knowledge-bank/291-assigning-users-to-courses>
- as a note when we get to the supplier due diligence we need to work on how this might work for all of the schools as a group rather than repeating any due diligence work for common suppliers
- I will shortly send through the meeting requests for the online meeting on the 23rd February and the Making the Rounds visit on the 23rd March.

All template policies can be found on the Knowledgebank under **Best Practice-> Resources**

I look forward to hearing from you, have a lovely Christmas.

Many thanks,

Tammy Buchanan
