Hi Lynn,

Thank you for taking the time to show me around your school today, it was very much appreciated. I have updated everything in the Knowledgebank, the details of the workaround can be found under **My Activities -> Making the Rounds**. I have also attached it in a document format so that you can share with others in school as required. There is a section for any actions you have taken in the Making the Rounds Section for you to update.

I appreciate the first part of the next term will be busy, so please use the link below to book another online meeting with me at a date and time that is convenient for you:

Have a lovely Christmas and I look forward to hearing from you.

Many thanks,
