Hi Jo,

Thanks for your time today, it was really appreciated. Please find below the details of the meeting and some of the links and information I said I would send through:

- You have added the staff onto the Knowledgebank and assigned everyone the GDPR Refresh course to do by the end of January. Please find below a link to an article which will show you how to set up Todo's for people that haven't completed the course at the end of January: <https://dataprotection.education/news-top/news/165-using-the-knowledge-bank/291-assigning-users-to-courses>
- I recommended that it might be helpful if you are able to complete the 'Introduction to Data Protection' Course and the 'How to avoid a data breach: Information and Cyber Security' course yourself .
- I advised that putting up posters around the school, for example in the staff room, can increase staff awareness about data protection. The posters can be found here on the Knowledgebank: <https://dataprotection.education/best-practice-library/documents/drip-feeds>
- I have attached an infographic which specifically talks about data protection and is the kind of thing that I would be looking at when I visit in March so might be useful for you to share with staff.
- You gave an update on policies and advised that they were pushed to the next resources meeting in February for discussion.
- We talked about due diligence around third party supplier lists. There is a best practice area on the Knowledgebank which will give you more information about Supplier Due Diligence here: <https://dataprotection.education/best-practice-library/best-practice/due-diligence-best-practice-area> this news article also explains the process: <https://dataprotection.education/news-top/news/168-supplier-due-diligence/231-the-importance-of-carrying-out-supplier-due-diligence>
- I have attached an example of a list that someone else has compiled for ScholarPack
- Another type of example, which you might get to first, is the list on this school's page: <https://www.trowseprimaryschool.co.uk/key-information/gdpr>, but gives a good list of all their suppliers to get you thinking.

I will shortly send through the next meeting date for March 16th when I will come and do an onsite visit with you. Have a lovely Christmas.

Many thanks,

Tammy Buchanan
Data Protection Consultant

BSc(Hons) Computer Science

ITIL 4 Service Management, NCFE Principles of Cyber Security
