Hi both,

Thank you for your time yesterday and for showing me around the school. Please find attached any findings from the Making the Rounds visit and recommendations. All observations are in the Knowledgebank and a link for that is in the document. The document does give advice on improvements, any positive observations are in the Knowledgebank. I have attached a Word document for you with links of information and advice to make it easier for sending to staff.

There is a section in the Making the Rounds on the Knowledgebank for you to add any actions that you have completed in due course.

I would suggest we book another online meeting for after February half term or later to give you time to finish any training you already had planned and implement any changes. Please find below a link where you can check my availability and book a date and time that is convenient for you:

Have a lovely Christmas break.

Many thanks,

Tammy Buchanan
