Hi Paul,

Thank you for your email. I have had a look at the attachment that you sent and believe we could produce something similar after my visit on the 26th January. Normally we would add the details to the Knowledgebank under My Activities -> Making the Rounds, but I could put the findings into a document along with any breaches or other information from the Knowledgebank. We would need to discuss what time period it should cover, but we could do that during my visit next term.

Have a lovely Christmas break.

Many thanks,
Tammy

Thank you and apologies for the delay in responding

That very useful and I have made a start by adding our privacy notices to our website and adopting the SAR / Data Breach model policies too. Working on having a separate section of our website for GDPR – our functionality to do that isn't great as we only have basic editing capability at the moment

When we spoke I forgot to mention that I have previously asked for a DPO report to Governors from DPE along the lines of the attached – perhaps this is something you could do for us once we have met again and further improvements made ?

Subject: DPE Online Meeting: New Scotland Hill School (Bracknell)

Hi Paul,

Thank you for your time today, it was really good to meet you. I have attached:

- a short report about our meeting and some other useful links
- FOI/SAR and Data Breach procedures (although you already have some of this in your data protection policy)
- This is an example of what another school in Norfolk has done on their website: [Trowse Primary School - GDPR](#)
- This is the link I mentioned for you to send to the Governors: <https://www.ncsc.gov.uk/information/school-governor-questions>
- I will shortly send through the meeting date for the Making the Rounds visit.

Also as the main person that looks after IT, I would suggest joining this group for further support and finding out about what other schools are doing, it's free and they are very supportive:

We can talk further about that when I see you.

If you have any further questions then please do not hesitate to come back to me.

Have a good Christmas and see you in January.

Many thanks,
