To: Tracey Lankstead <tracelankstead@hillpark.brighton-hove.sch.uk>

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi Tracey,

Thank you for your time today, please find below the details that we discussed today with some additional information for you:

- **Compliance Manager** - We discussed use of the Compliance Manager and whether it will send reminders - we agreed that I will speak to James about this again and find out what the future plans are for the Compliance Manager, specifically around constantly reminding staff to complete the reading/acceptance of a document.

- **Policies** - Policies, we had a look at the policies on the website. There is no separate data protection policy as this is merged with the ICT one - we would recommend separate policies for this. I also advised removing the Withdrawing Consent form as consent should be positive where possible. I also recommended that it might be useful to separately document the Subject Access Procedures and the Freedom of Information Request. Please find below the link to the Knowledgebank where all the policy templates can be found:

- Privacy Notices: <https://dataprotection.education/best-practice-library/best-practice/transparency>
- Other policy templates and procedures: <https://dataprotection.education/best-practice-library/best-practice/commitment-to-compliance>

- **Information Security & IT** - Although you use print release for printing it might be better for data protection purposes to have PIN codes for staff to be able to release their prints. If this is a step too far for staff, then those with access to confidential information should have PIN codes such as the head teacher and SENCO

- You have good practice around USB sticks (not allowed and checked for) and working from home (VPN)

- I have advised we should also speak about supplier (third-party) data sharing at a future meeting.

- I have sent a meeting request for a Making the Rounds in May where I can walk around the two school sites and do a data protection check.

If you have any further questions please do not hesitate to contact me or email [dpo@dataprotection.education](mailto:dpo@dataprotection.education). I hope all goes well with your operation and I look forward to seeing you in May.

Many thanks,

**Tammy Buchanan**  
**Data Protection Consultant**
