Hi Jo,

Following our meeting this morning I have add the list of third-party suppliers from your parent/pupil privacy notice as follows:

Company: Education Software Limited
Software: SIMS

Company: Brighton & Hove City Council

Company: NHS England

Company: 2 Simple
Software: Purple Mash

Company: CPOMS Systems Limited
Software: CPOMS

Company: EducFOCUS
Software: Evolve

Please note that the data sharing agreement is with the name of the actual supplier not the name of the software.

I don't have the name of your residentials or the next schools, but you could add those following these instructions:

<https://dataprotection.education/news-top/news/168-supplier-due-diligence/296-due-diligence-step-by-step>

You can access the third party list here:

<https://dataprotection.education/core-data/third-parties-and-contracts>

You can access the software list here:

<https://dataprotection.education/core-data/software-management>

I have added you as the contract owner for each contract. We are completing due diligence on some suppliers of critical systems but not all. If you have any due diligence information you could now upload any data sharing agreements etc.

I hope that helps,

Many thanks,

Tammy Buchanan
