Hi Jill,

As per our meeting yesterday I have been through most of the suppliers on your privacy notice for pupils and added them onto the Knowledgebank. We are some way from completing due diligence on all the ones listed so would advise if you are able to check whether anyone in your organisation has previously done that and update the status relevant for Darrick Wood. I have named you as the owner of the contracts. I was unable to tell just from the name of the supplier which one it was if the internet showed more than one company with that name so need some clarification. Also some of the suppliers provide more than one type of software so need clarification on those. You can see the list by choosing 'Third-Parties & Contracts' from the DPE dashboard, and the software by choosing 'Software' from the Dashboard. Please see below the list that I have added (apart from those that could not be found on the ICO) for Darrick Wood and any questions:

- The Department for Education (DfE)
- Independent Catering Ltd
- NHS
