Hi both

Wishing you a Happy New Year

Further to my emails last term, I am writing to you, to offer you a remote meeting in the Spring Term to discuss your data protection and commitment to compliance. Data Protection Education is the named DPO for your school and I am one of the consultants assigned to support you.

Please feel free to use this booking link to book directly with me, or send me an email with suitable dates. The link below does show my availability making it easier for you to pick a date and a time slot making it more convenient for you. The link will automatically send you a Zoom link for the meeting.

I would also advise that after looking at your website both your data protection policy and your privacy notices look like it has not been reviewed for a while. The privacy notice is dated 2018 - the ICO recommends that privacy notices are updated regularly, we would advise annually/every two years as part of your normal policy reviews. Ofsted also requires schools to have a Data Protection Policy on their website which I cannot see. This is the kind of thing that we would discuss in our meeting.

I look forward to hearing from you.

Many thanks,

Tammy Buchanan
