Hi Rachel,

Following on from my email yesterday, I am quite concerned that you don't seem to be registered with the ICO. I have checked your privacy policy which gives the following information about your ICO registration number:

COLLEGE HALL – Privacy Policy

Thank you for visiting our website www.collegehall.org.uk (the **Site**). This Policy set outs the basis on which any personal data provided to us by you, or received by us from third parties, will be used by us.

Please read this Policy carefully and ensure that you understand our rights and responsibilities under it.

We are College Hall a school maintained by Bracknell Forest Council in the United Kingdom under URN number 131769, whose offices are at West Road, Off Old Wokingham Road, Wokingham, Berkshire, RG40 3BT.

We are the data controller of personal data provided to us and are registered as a data controller with the ICO under registration number ZA000312.

We have appointed a Data Protection Officer who is responsible for addressing data protection matters, including any questions you may have in relation to this Policy. You can contact our Data Protection Officer at dpo@collegehall.org.uk

However, when checked on the ICO site it says this does not exist and I cannot find College Hall by using the name or the address in the register. Please can you check and confirm with me as it is a criminal offence not to be registered?

You would also need to follow this up by registering Data Protection Education as your DPO with the ICO.

I look forward to hearing from you.

Many thanks,

Tammy Buchanan
