Hi Elly,

Thanks for your time last week and for showing me around your school. It was good to meet you.

I have uploaded all of the notes from our walk around which you can find on the DPE Knowledgebank here:

As discussed, it might be a good idea for us to have an online meeting before the end of the academic year to talk about where you are with policies and procedures in relation to data protection. If you use this link you will be able to check my availability and book a date and time that is convenient for you.:

If you have any questions, then please do not hesitate to contact me or email dpo@dataprotection.education. I look forward to hearing from you.

Many thanks,
