Hi James,

I've had another meeting with Colette this morning who has expressed a wish to try to continue with DPE after their SLA expires in May but is currently suffering with low pupil numbers and so budget constraints. I spoke about the DPO Lite model that you are quoting some schools, so please can you send a quote through to hear with details of what would/wouldn't be in the SLA so she can understand what part of the service she would be losing?

Many thanks,
