Hi Colette,

Thank you for your time today. It was good to see you again. Please find below the details of our meeting and any information that I said I would send through:

**Policies** - you advised that you had updated the policies and uploaded them to the school website

**Renewal** - we discussed renewal and whether it was possible for a 'lighter' version of the DPO service. I have emailed James and copied you in and asked him to send you a quote for our DPO Lite service.

**Third-Party Suppliers** - we discussed the third-party due diligence that DPE is currently undertaking and the third-party supplier lists that you have recently published in your privacy notices. I explained that I will work through these and add them onto the Knowledgebank where possible - I will update you on this as and when I am able to do it.

**Governors** - Governor advice. We talked about some advice for governors around use of school systems on personal/work devices. I have put everything you need to know here and will be available to your governors if you add them onto the Knowledgebank as well:

I will shortly send you an invite for our meeting on april 25th at 11am - I look forward to seeing you then.

If you have any questions, please do not hesitate to contact me.

Many thanks,

**Tammy Buchanan**
