Hi Colette,

Following on from our meeting yesterday, I have been through and added the following to the Knowledgebank for St Peter's. For most of them the due diligence is in process or not yet diligence has been done in the past and you have the returned forms, I would advise uploading them under St Peter's. As mentioned, I have added you as the contract owner. Some I have added the correct third party supplier name and the software where known although had some questions:

Brighton & Hove LA

The Department for Education (DfE);

Caterlink

Testbase

NHS England

Parentpay and software

Capita (SIMS pupil record database)

Company is Eduspot, software is Teachers 2 Parents (text, e-mail and online parents evening booking systems)

Studybugs (registration and attendance software)

Edukey (Provision Map toolkit)

Meritec (our CPOMS Child Protection and Safeguarding management system) - added as CPOMS

Phonics Play - added as supplier. Which software used?

2Simple - added as supplier. Which software used?

Junior Librarian - supplier is ESS but product is now called Reading Cloud? Junior librarian is stand alone?

Maths Circle - Timestables Rock Stars and Numbots

FOSPs (Friends of St Peter's) Parent Teacher Association - pupil names and year groups - would advise that your own due diligence needs to be done on these - I have added them

Wonde (Educational App)

Should you wish to send a due diligence form to any suppliers, there is a form here:

<https://dataprotection.education/index.php/best-practice-library/best-practice/due-diligence-best-practice-area>

If you need any further help with any of the due diligence relating to forms returned then please raise a ticket and our legal team can help you review them.

If you have any questions, please do not hesitate to contact me.

Many thanks,

Tammy Buchanan**Data Protection Consultant***BSc(Hons) Computer Science**ITIL 4 Service Management, NCFE Principles of Cyber Security*
