Hi Lynn,

Thank you for your time today. It was good to see you again. Please find below the details discussed and any further information:

Making the Rounds follow up - we discussed the making the rounds report and you advised that this has been shown to governors and will shortly be shown to staff. Actions have been put in place and I have updated the Actions area on the Making the Rounds report on the Knowledgebank accordingly.

Privacy Notice - you advised that the privacy notice is still to be completed. Copies of our templates can be found here: <https://dataprotection.education/component/seoglossary/1-data-protection-education-definitions/privacy> Our templates also provide a template table for adding supplier information.

Third-Party Supplier Due Diligence - advised that DPE are doing additional work on this with adding generic third parties and software to the Knowledgebank. When your list is complete please send through and I will add them onto the Knowledgebank for Harman's Water Primary School. Information about due diligence can be found here: <https://dataprotection.education/index.php/best-practice-library/best-practice/due-diligence-best-practice-area>

A good example, and to give you some ideas of suppliers, can be found here:

I will shortly send you the invite for our next meeting in June, when we can discuss these things further. I look forward to seeing you then, but if you have any questions in the meantime, please do not hesitate to contact me.

Many thanks,
