Hi Alison,

Thank you for your time today. It was good to meet you. I have set both you and Lucy up on the DPE Knowledge Bank for which you should have received login details - please check junk/spam if you can't see them in your inbox.

I have copied Kalina into this email so that she knows to contact you both to arrange an online demo of our Knowledge Bank as discussed.

As a first step, we would advise that you contact the ICO to register DPE as your data protection officer, here is the information on how to do that:

To add a [Data Protection Officer](#) (DPO) email dataprotectionfee@ico.org.uk with the subject line 'Add a DPO' and include:

- The registration number of your organisation (if you aren't sure, [search the ICO register here](#))
- This statement:

As required under the Data Protection Act 2018, our DPO is:

- Data Protection Education Ltd
- Registered office: 1 Saltmore Farm, New Inn Rd, Hinxworth, Baldock, SG7 5EZ
- Telephone: 0800 0862018
- Email: dpo@dataprotection.education

If you need help finding your registration number or require us to do this on your behalf, please email us at dpo@dataprotection.education

Please use the link below to check my availability for a date and time suitable for an online meeting where we can go through the first steps, such as how to add staff onto the Knowledge Bank, policies and further due diligence:

I look forward to seeing you then, but in the meantime, if you have any further questions, my contact details are in my signature, or as James mentioned, please email dpo@dataprotection.education.

Many thanks,

Tammy Buchanan
