Hi Lynn,

Yes good thanks, hope you are too. Apologies as I have been in meetings all day today so only just got to this. This is not really a data protection question as such and would advise that it is whatever staff feel comfortable with, given children will see what is on view. Perhaps have a think about what is on your school website and have it as a reflection of that? You would need to make sure, of course, that staff have given their consent for the photo and details to be there.

I hope that helps,

Many thanks,
Tammy

Good morning, Tammy

I hope you are well and have had a good weekend.

I have been asked to check the issue of the staff display board in the main entrance. The board contains the pictures first name and last name of all staff, governors and catering staff. Is this acceptable or should the first names be replaced with Mr/Mrs/Miss/Ms etc ?

Kind regards
