Hi both,

Thank you for your time today. It was good to see you again. Please find below any details we discussed and any follow up information I said I would send through:

Making the Rounds Actions : you advised that you have added staff onto the Knowledge Bank and ensured the Introduction to Data Protection Course has been completed by staff. There are also posters up around the school as a way of training. There are lockable areas and cupboards and keypads on doors. The accident book has gone online with reporting incidents straight into CPOMs rather than having an accident book. School staff are reminded to lock their computers and an auto lockout does come on.

Policies/Website: you confirmed that you are still waiting on the school's new website before uploading your policies.

National Cyber Security Centre: I advised that there is a set of questions for governors from the NCSC that is useful for cyber security and further details can be found in this article: <https://dataprotection.education/infosec/312-cyber-responsibilities-for-governors-trustees-in-schools>

They also provide a set of free training for school staff: <https://dataprotection.education/courses-heading/ncsc-cyber-security-training-for-school-staff> which can also be accessed via our Knowledge Bank.

Checklists : I advised that completing some of the checklists could be a good indication of where you are an organisation with data protection. They can be found here: <https://dataprotection.education/best-practice-library/checklist>

Ones I would recommend are:

- Password
- Photos and video
- Commitment to compliance
- Clear Desk
- Supplier due Diligence
- Data Retention & Destruction
- Information/Cyber Security

Supplier Due Diligence: we talked about this and how creating a list is the first step to the record of processing and have put further information below:

Supplier Due Diligence Best Practice Area: <https://dataprotection.education/best-practice-library/best-practice/due-diligence-best-practice-area>

Supplier Due Diligence Step by Step: <https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

How to copy the generic third party in the KB: <https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

Example of another school's website: <https://www.trowseprimaryschool.co.uk/key-information/gdpr>

Attached an example table of another way of displaying third parties

I will shortly send a meeting invite through for our next online meeting on the 11th July at 11am for us to talk about the above and your new website. I look forward to seeing you then.

Have a lovely Easter break!

Many thanks,
