Hi Oona,

Thank you for your time yesterday and for showing me around your school. I have updated the Making the Rounds on the Knowledge Bank and set you a To-do which will have triggered an email to you. All positive observations are in the Locations & Observations section, any advisories or recommendations are in the report/feedback section.

Please find attached a Word version of the report so that the links are more accessible for you to send to staff.

I am putting my booking link below so you can book the next online meeting (either before the end of this academic year or in the Autumn term): Please use the link below to check my availability which will allow you to book a date and time that is suitable for you:
