Hi Claire,

Please can you send me their email addresses so that I can organise both the demo and send the meeting requests through for the on site meetings/data walk, so everything is properly in the calendar? They are not yet in the Knowledge Bank so cannot take them from there.

The dates are:

June 9th 10 am Wallace Fields

June 9th 1:30pm The Raleigh

July 7th 10am Busbridge

I have already been to Great Bookham School and sent them through any feedback, which I can include when we have any follow up meetings. I believe that Highfield South Farnham School is an extension of South Farnham School and we agreed did not need a visit?

Many thanks,
Tammy

Subject: DPE Online Meeting: South Farnham Educational Trust

Hi Claire,

Thank you for your time today. It was good to meet you. Please find below details we discussed and further information.

I spoke to James about St Mary's CE and he advised that they are not currently covered under your agreement and would need to purchase their own SLA if required.

Knowledge Bank:

You will send me a list of everyone that needs to have a demo of the Knowledge Bank and I will organise.

Please find attached the CSV file I mentioned for staff. You would need to complete one of these for each of the schools. You can also add governors and trustees if you choose - they would have a trusted/governor view of the Knowledge Bank and would also have access to the training. Please feel free to email me the completed forms and I can upload for you, or the instructions on how to do it are here: <https://dataprotection.education/best-practice-library/documents/user-guides/149-how-to-add-users-to-the-knowledge-bank-user-guide>

Just to advise it is always a good idea to let staff know you are adding them on as they will receive an email with their login credentials which may go into junk.

Policies:

Just a reminder to the schools other than South Farnham to name Data Protection Education as their DPO.

If any further help is needed for the privacy notice for pupils, please find a template here on our Knowledge Bank: <https://dataprotection.education/best-practice-library/documents/procedures/transparency/104-dpe-model-data-privacy-notice-pupils>

I will shortly send you through an invite for the Making the Rounds at South Farnham School on May 22nd at 10am.

Dates for the other schools I could offer are:

June 9th

June 15th

July 5th

July 7th

Each visit would not take more than an hour and a half.

I look forward to hearing from you. Have a lovely Easter.

Many thanks,

Tammy Buchanan
