Hi Colette,

Thanks for your time today, it was good to see you again. Please find below details we discussed:

Training - you confirmed there is still training for staff to do.

Third Party Suppliers - we discussed the third party supplier list and recommended that you check any of the generic third parties which DPE will update as part of their current due diligence work.

PTA's - most PTA's have their own websites for bookings and taking parental details, which removes the school from any data sharing issues as they are collecting data directly. This website has some guidance: <https://www.parentkind.org.uk/>

Compliance Manager - we discussed the use of the compliance manager. The user guide is here: <https://dataprotection.education/best-practice-library/documents/user-guides/52-compliance-manager-user-guide-v1-2>

Details on how to run the compliance manager report is here; <https://dataprotection.education/best-practice-library/documents/user-guides/148-compliance-manager-report-user-guide>

Governors - you are working on ensuring governors are informed in terms of data protection.

Future - as you are changing your subscription to Knowledge Bank only this is the last meeting we will have. Just a reminder to keep checking the News page as this will be updated with anything new that is added to the Knowledge Bank in terms of both content and functionality. In the future, you will need to either raise tickets on the Knowledge Bank or email dpo@dataprotection.education for advice.

Have a good rest of the week.

Many thanks,

Tammy Buchanan
