Hi Jill,

Please find attached, although you can also find these documents if you choose 'generic school' under Third Parties and Contracts and filter on which one you want to look at.

DPIA's are really related to anything that is high risk to individuals, so you would just need to consider it on a case by case basis. Further information about that can be found here:

<https://dataprotection.education/best-practice-library/best-practice/dpias>

There is a video explaining it here:

<https://dataprotection.education/best-practice-library/best-practice/dpias>

I hope that helps,

Many thanks,
Tammy

Do you have a copy of the Due Diligence that you did for SOCS, as I think you sent it to me but I couldn't open it. Also at what stage would we need to do complete a DPIA, and if we ever needed to do one, would that be something that your would do on our behalf.

Jill

Hi Joe,

The due diligence has been completed on SOCS and is considered low risk.

Jill - I have made a copy of the due diligence information and copied it across to Darrick Wood's Third Parties Contracts.

I have resent the due diligence form to VEO again using the sales contact that you sent through to me.

I hope that helps,

Many thanks,

Tammy

Hi Sarah,

I wonder if you are able to please help ? I am writing on behalf of Darrick Wood School as a schools consultant from the company that provides the Data Protection Officer service to their school. I have written a couple of times already to:

gdpr@veo.co

as specified on your website for data protection queries, but have not received a reply. We please need to have the attached due diligence form completed by someone at VEO - are you able to help with this please?

I look forward to hearing from you.

Many thanks,

Tammy Buchanan
