Hi Alison,

Thank you for your time today. It was good to see you again. Please find below the details we discussed:

Third Party Supplier - we will continue with the due diligence on this.

Training - you advised that you have been using the To-Do instructions to assign courses to staff.

News - the news area on the DPE website is now being regularly updated and James will soon send this out as a newsletter email.

Phishing - we discussed doing a phishing campaign. The information for how to set that up is

here: <https://dataprotection.education/best-practice-library/documents/user-guides/147-phishing-simulation-guide>

Cyber/Information Security - I would recommend going through the new Cyber/Information Security checklist which is here: https://dataprotection.education/component/tjucm/itemform/cyber-security?id=90881&cluster_id=114

I will shortly send through the meeting request for the Making the Rounds (in person) visit for the 15th June at 1:30pm and look forward to seeing you then.

Many thanks,

Tammy Buchanan
Data Protection Consultant

BSc(Hons) Computer Science

ITIL 4 Service Management, NCFE Principles of Cyber Security
