Hi Audrey,

Many thanks for your time today. It was good to meet you.

A few initial housekeeping bits:

1) Can you please upload the following documents to our Vault (our secure file-sharing platform) so we can review them?

You may not have all of these; please just supply what you have.

You can upload them here:

<https://vault.dataprotection.education/s/5adLYGLzYyoeMej>

- Data protection policy
- Subject access request procedure
- Data breach procedure
- Information security policy
- Data retention policy
- IT acceptable use policies
- Bring your own device policy
- Consent form/procedure / policy
- Safeguarding
- Fair usage policy
- CCTV policy and procedures
- Staff handbook
- Any data risk management documents or data privacy impact assessments
- Data collection forms
- Any data inventory/mapping/information asset register work (the spreadsheet you mentioned!)
- List of IT systems
- List of suppliers/contracts (not the actual contracts)
- Staff training statistics and information on training content

2) Can you please register us as your DPO with the Information Commissioner's Officer. I checked and I couldn't see that you are currently registered with the ICO. Your website gives the ref number: Z5008815 but this isn't valid and Homewood College doesn't come up in an ICO search. It may be that the registration has lapsed?

To add a Data Protection Officer (DPO), email dataprotectionfee@ico.org.uk with the subject line 'Add a DPO' and include:

- The registration number of your organisation (if you aren't sure, [search the ICO register here](#))

This statement:

As required under the Data Protection Act 2018, our DPO is:

Data Protection Education Ltd

Registered office: 1 Saltmore Farm, New Inn Rd, Hinxworth, Baldock, SG7 5EZ

Telephone: 0800 0862018

Email: dpo@dataprotection.education

3) I've also cc'd in Kalina for a tour of the Knowledge Bank...can you let me know a list of names and emails of the staff you add on there as Admins (Admins see everything). We can add staff later.

Kalina - can you please arrange a demo?

The Knowledge Bank can be logged into from our website: <https://dataprotection.education>

If there is anything we can help with - please email us at **dpo@dataprotection.education** - that email can be used for anything and anyone and will also be logged and tracked in our ticket system.

Many thanks, and we look forward to working with you.

Best Regards,

Tammy Buchanan
Data Protection Consultant

BSc(Hons) Computer Science

ITIL 4 Service Management, NCFE Principles of Cyber Security
