Hi Paula,

Thanks for your time today. It was good to see you again. Please find below notes from the meeting:

GDPR Champions - you will review the champions at both Grey's sites and invite new staff to the meeting on the 12th May. At the meeting I will show how to add data breaches to the Knowledge Bank as staff are keeping this information internally at the moment.

MTR Review: you explained that you are reviewing CCTV systems across the trust, an electronic sign in systems and other information from the making the rounds report. We discussed head teacher office security and information displayed. These have been passed onto the individual schools and I will review them with the schools at the meeting in May.

You advised that you have a Governor report to do in June so I will set some time aside to work on this and send it through to you before the 20th June.

I will copy you in on the write up from the GDPR Champions meeting on the 12th May and will shortly send you an invite for an online meeting for us on October 18th at 10:30am

Have a lovely Summer!

Many thanks,

Tammy Buchanan
