Hi Nakita,

Thanks for your time today. It was good to see you again. Please find below details discussed:

Training - you have set up staff to do training on the Knowledge Bank. They are doing the Introduction to Data Protection training course.

You are also using the Compliance Manager to assign documents to staff to read.

Data Protection Policy - is out of date on the website. Our template data protection policy can be found here: <https://dataprotection.education/best-practice-library/documents/procedures/8-data-protection-policy>**Privacy Notices** - details about the privacy notices can be found here: <https://dataprotection.education/best-practice-library/best-practice/transparency> We advise having one for pupils, one for the workforce and a general one (which would also cover visitors and governors).

We discussed doing a data walk around the school and so I will shortly send you a meeting request for the 23rd May at 1:30pm - I look forward to seeing you then.

Many thanks,

Tammy Buchanan
