Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi both,

Please find below details about the companies that you sent me and the due diligence status. We would also recommend that you list in the relevant privacy notices on your website who you share data with and the data that you share for transparency purposes. Alternatively, you could list separately as this school has done: [Trowse Primary School - GDPR](#)

To view your list of Third Parties go here: <https://dataprotection.education/core-data/third-parties-and-contracts>

To view your list of Software go here: <https://dataprotection.education/core-data/software-management>

I have corrected some of the details below (in red) as well as giving an update, so when you publish your list it will be accurate:

- * Wonde - this is added to the Knowledge Bank under Poverest. The due diligence is in process
- (PurpleMash (2Simple) this is added to the Knowledge Bank under Poverest. Added with the third party name of 2Simple and the software of Purple Mash). The due diligence is in process.
- * EdShed - this is added to the Knowledge Bank under Poverest. The due diligence is in process. They supply a number of software programs, so recommend you adding that detail under software for Poverest
- * FFT Education this is added to the Knowledge Bank under Poverest. The due diligence is in process
- * Insight Tracking this is added to the Knowledge Bank under Poverest. The due diligence is in process. The software name is Insight Tracking but the company you share the information with is Equin Limited who I have also added under Poverest
- * Renaissance Place this is added to the Knowledge Bank under Poverest. The due diligence is in process
- * Safeguard this is added to the Knowledge Bank under Poverest. The due diligence is in process. Safeguard is the software name and Smoothwall is the name of the company.
- * TT Rock Stars this is added to the Knowledge Bank under Poverest. The due diligence is in process. TT Rockstars is the name of the product. Maths Circle is the name of the company.
- * [Maths.co.uk](https://www.maths.co.uk) this is added to the Knowledge Bank under Poverest. The due diligence is in process
- * Readtheory this is added to the Knowledge Bank under Poverest. The due diligence is in process
- * Hamilton Trust this is added to the Knowledge Bank under Poverest. The due diligence is in process

Also, we use:

- * Scholarpack (for our student and personnel information) this is added to the Knowledge Bank under Poverest. The due diligence is in process
- * Chartwells (for our catering which may change in March) this is added to the Knowledge Bank under Poverest. The due diligence is in process. The company name is Compass Group UK
- * FMS this is added to the Knowledge Bank under Poverest. The due diligence is in process. FMS is the name of the software. Education Software Systems is the name of the company.

For the below as they are local companies I cannot copy across from our generic ones as above as they are not national. If you share data with the company then consider adding it to the third party supplier in the Knowledge Bank under Poverest. The details on how to do that are here: <https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

Any further due diligence may be required for therapists etc. - if you wish to do that, then please send them the due diligence form, which can be found here: <https://dataprotection.education/best-practice-library/documents/procedures/135-supplier-due-diligence-form>

If you receive it completed, then please either email it to dpo@dataprotection.education or raise a ticket and upload it and request a risk assessment to be completed.

I'm not sure if you need:

- * Lodestar (bought in service, our cleaning company - we don't consciously share information with them but they do work onsite)

- * Bromley Youth Music Trust (the same, bought in service, they come and do music lessons onsite. Parents can also book their children in for private music lessons that are provided onsite)
- * Teachsport Bromley (the same, bought in service, they come and do lunchtime lessons sometimes)
- * Words First (Speech and Language therapists, bought in service)
- * Rachael Henderson (Play Therapist, bought in service)
- * We have someone comes in to do Peer Mediation.
- * Spinnaker (a company that comes in and does some assemblies)
- * Occupational Therapists

Many thanks,
Tammy

Hi Caroline,

Sally has contacted me about an email that I did not reply to - I think it may be this one? Apologies as I think it came just before the Christmas break and unfortunately got missed.

I will check whether you are with the due diligence later today and come back to you. I know I have added quite a few of your third parties into the Knowledge Bank under your school, but think that was in relation to a previous email. You only need to consider the supplier if you share data with them. As mentioned previously, you would also need to include the list somewhere, for example in your privacy notices or as a list on your website.

Regarding the art projects - it depends if you share any data with them or not? If they are people coming in to advise/help then they would also need to be on your SCR?

The after school club/lunch club - do the parents book directly with them or do you share the data with them? If you share the data with them, then some due diligence would need to be done. If the company collects the information themselves then no - the only thing you would need to consider is the area of the school that they use and what data of yours/the children is accessible or viewable?

I hope that helps.

Many thanks,
Tammy

One of the things I was asked to do was to provide you with a list of the companies that we share information with.

Paul, our DHT, has informed me of such. They are:

- * Wonde - (PurpleMash (2Simple)
- * EdShed
- * FFT Education
- * Insight Tracking
- * Renaissance Place
- * Safeguard
- * TT Rock Stars
- * [Maths.co.uk](https://www.maths.co.uk)
- * Readtheory
- * Hamilton Trust

Also, we use:

- * Scholarpack (for our student and personnel information)
- * Chartwells (for our catering which may change in March)
- * FMS

I'm not sure if you need:

- * Lodestar (bought in service, our cleaning company - we don't consciously share information with them but they do work onsite)
- * Bromley Youth Music Trust (the same, bought in service, they come and do music lessons onsite. Parents can also book their children in for private music lessons that are provided onsite)

- * Teachsport Bromley (the same, bought in service, they come and do lunchtime lessons sometimes)
- * Words First (Speech and Language therapists, bought in service)
- * Rachael Henderson (Play Therapist, bought in service)
- * We have someone comes in to do Peer Mediation.
- * Spinnaker (a company that comes in and does some assemblies)
- * Occupational Therapists

Do we need to do anything with people that only come in for a term to do things like work with the children on arts projects?

We also have a company come in to do before and after school clubs (and sometimes a lunch time club) as a 'Letting'.

Please can you let me know what I need to do with this?

Thanks.

Regards

Mrs White

Hello everyone,

Thank you for your time today. Please find attached a brief summary of our meeting along with some other useful links and information.

- I have added both Paul and Emma onto the Knowledgebank as administrators so they should have received a login.
- Kalina should contact you all to arrange dates for a demo of the Knowledgebank
- I have attached the following for you:
 - CSV template file for doing a bulk import of staff and governors
 - Template privacy notices
 - Template SAR and Data Breach procedures

This link will allow Caroline to check my availability and book a date and time that is convenient:

<https://go.oncehub.com/DPEIntroductoryOnlineMeeting>

I look forward to seeing her then, but please do not hesitate to contact me if you need anything in the meantime.

Many thanks,

Tammy Buchanan
