Hi all,

Thank you for your time today. Please see details of the meeting below:

Attendees:

Catherine Friend
Paul Panter
Kirstie Webb
Jo Tift

Knowledge Bank Demo - I have emailed Kalina to arrange an online demo of the Knowledge Bank for the new GDPR champions and anyone else that would like a refresher.

Making the Rounds Review - we discussed the recent making the rounds and actions that have already happened, such as no longer using pigeon holes, establishing the kitchen procedure for Grey's Bromham, hospital staff and CCTV. I would encourage you to update the relevant making the rounds log on the Knowledge Bank if you haven't already done so. As there were not champions on the call from either the Grange or Grey's Kempston, please could Hannah and Mandy use the link below to book a half an hour meeting next term (if you wish) to go through any actions:

Checklists - I mentioned about starting on some of the checklists in the Knowledge Bank, the ones I recommend are:

Password
Photos and video
Commitment to compliance
Clear desk
CCTV (when you have changed your system)
Governors and data
Data Retention and Destruction
Information/Cyber Security

They can be found here:

News area: I advised that most of the news articles on the Knowledge Bank do not require a login to view as they are public. These could be used as an extra training/awareness resource if required. There is not an obvious way to test whether a login is required other than to try and open the link in a Chrome incognito window.

St John's MTR - Cathy advised she had done this for St John's so I will view and respond.

I have changed Jo's profile on the Knowledge Bank to be an admin so that you can access the links and information I am sending through, as well as being able to add breaches and SARS etc. Mandy I couldn't find you there at all? I have added you as an admin now so you should have received a login to your inbox (it may have gone into junk). This means that the user list for Grey's may not be correct and does need someone to ensure it is up to date.

I will shortly send through a meeting invite for our next meeting on Tuesday 3rd October at 2pm.
