To: Peter Goodman <headteacher@east-farleigh.kent.sch.uk>

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi Peter,

Thank you for your time today. It was good to meet you. Please find below the details we discussed:

Knowledge Bank - we discussed organising a demo of the Knowledge Bank for you and a member of the admin team - I have already sent an email to Kalina to arrange this.

We discussed adding your staff onto the Knowledge Bank for training. I have attached the csv file for someone to complete and return to me to add staff onto the system.

I will send further instructions about assigning courses to staff once they are set up.

I would recommend that all staff do the Introduction to Data Protection training first - it should also be included as part of the school's onboarding training when staff start.

Posters - awareness posters are a form of training, and can be found here: <https://dataprotection.education/best-practice-library/documents/drip-feeds>

News - using the news page is a good way to keep staff up to date with what is happening in cyber security and data protection and can help with awareness too. The news page is here: <https://dataprotection.education/news-top/news>
The cyber attack I mentioned on a school is here: <https://dataprotection.education/infosec/351-cyber-attack-wiltshire-school>

Privacy Notices - we recommend three privacy notices: one for pupils, one for the workforce and a general one. Further details and model notices can be found here: <https://dataprotection.education/best-practice-library/best-practice/privacy>

Systems - we talked a bit about best practice for systems. There is a best practice library for this where a lot of your questions will be answered:

<https://dataprotection.education/best-practice-library/best-practice/information-security>

There are also a number of checklists that can help with this:

<https://dataprotection.education/best-practice-library/checklist>

I will shortly send the meeting request through for our next online meeting in November. Please feel free to contact me if you have any further queries, or email dpo@dataprotection.education if it is an urgent query as I may be out on site and so may not get to your request immediately.

Many thanks,

Tammy Buchanan
