Hi both,

I understand from the ticket that Lynne raised that Alison has now left Queen's Park. I am your school's consultant for Data Protection Education and have been trying to contact Alison for an online meeting for a number of months. I visited your school in November - the write up for this can be found here with some recommendations from the data walk:

It would be good to try and meet with you to go through where you are with data protection - all of my details and how to book with me are in the email below.

I look forward to hearing from you - if you cannot find any suitable dates in the link and wish to meet this term, please contact me and I will see what I can do. Otherwise I look forward to meeting you online in the Autumn term.

If you have any other questions, please do not hesitate to contact me.

Many thanks

Tammy
