Hi Claire,

The Making the Rounds has the camera on so there are two reasons this may happen -

- if the camera is already in use by another program such as Teams
- if the camera is not enabled in Chrome. Here are the instructions for enabling it: <https://support.google.com/chrome/answer/2693767?hl=en-GB&co=GENIE.Platform%3DDesktop>

If you are restricted by something that IT has set up and need me to send it in Word format please let me know and I will have a look.

I hope that helps,

Many thanks,
Tammy

Hi Tammy,

I have just tried to access the making the rounds reports for both South Farnham and Great Bookham School but cannot view either as I get the attached error message.

Could you have a look at this for me please.

Many thanks

Claire
