Hello Claire,

I just wanted to see how you go on with this? I have put the other link below which is the view only link which will also give you the details:

<https://dataprotection.education/courses-heading/making-the-rounds-log/item?id=94506>

As mentioned previously, this can also be accessed via the menu from My Activities -> Making the Rounds. Clicking on the number of the walk will give you the view mode and then click on the square box with the pencil gives the edit mode.

Please let me know if you are still having an issue.

Many thanks,
Tammy

Hi Claire,

The Making the Rounds has the camera on so there are two reasons this may happen -

- if the camera is already in use by another program such as Teams
- if the camera is not enabled in Chrome. Here are the instructions for enabling it: <https://support.google.com/chrome/answer/2693767?hl=en-GB&co=GENIE.Platform%3DDesktop>

If you are restricted by something that IT has set up and need me to send it in Word format please let me know and I will have a look.

I hope that helps,

Many thanks,
Tammy

Hi Tammy,

I have just tried to access the making the rounds reports for both South Farnham and Great Bookham School but cannot view either as I get the attached error message.

Could you have a look at this for me please.

Many thanks
Claire
