Hi Jo,

Thanks for your time today - it was good to speak to you again. Please find below details we discussed:

Making the Rounds - we went through the MTR visit from March and updated it with all the actions taken, or are in progress and marked as completed as far as you are able. The making the rounds app will now give you automatic feedback should you wish to do your own walk around. If you go to My Activities -> Making the rounds and add a log. After you have saved it and then go to view the log, by clicking the log number, you will see any feedback or links.

Training - you advised that all staff apart from two have completed all the training now. There are also awareness posters around the school.

Due diligence - we discussed the due diligence to do next. I advised thinking of this around your privacy notices which should cover: pupils, staff, visitors and parents, and who you share data with. Some examples of supplier types are:

Local authority
NHS England
Pupil MIS
Parent Comms
Parent Payment
Cool Milk
Catering company
Photographer
Curriculum apps, including interventions
Early years assessments
Inclusion assessments
Safeguarding
Behaviour apps
Finance system
Staff Wellbeing
Pastoral Needs
Therapists
School Management Systems
ICT services
Google/Microsoft

There is a due diligence best practice area: <https://dataprotection.education/index.php/best-practice-library/best-practice/due-diligence-best-practice-area> that provides further guidance.

I will shortly send you through the invite for our online meeting in October and look forward to seeing you then.

Have a lovely Summer!

Many thanks,

Tammy Buchanan
Data Protection Consultant
