Hi Julie,

Thank you for your time yesterday and for showing me around your school. I have updated the Making the Rounds on the Knowledge Bank:

<https://dataprotection.education/courses-heading/making-the-rounds-log/item?id=94990>

If you go into view mode (where this link should take you) there will be some feedback in some of the areas which include links and information that you can send to staff if needed.

I have updated the DPO Feedback section with any additional advisories and changed the status to Action Required. You can then update the Actions Taken section with any changes you are able to make, and we can discuss at our next meeting. I have also attached a Word version of everything - there are repeated sections of advice in the document because the feedback updates for each location and we did see repeated behaviours across the school. I have put in more detail at the end of the document (some of this cannot be transferred to the Making the Rounds app as it does not support some of the formats in the document), the document is very long because we did visit a lot of locations.

I also mentioned the news area on the website which you might find helpful for sending information out to staff:

<https://dataprotection.education/news-top/news>

You should be receiving a regular email from us about news articles - most people seem to have received it during the last week in May from the email address: kb@dataprotection.education - it may have gone into spam, so please look out for it as it will give you extra resources for creating awareness with staff.

I am putting my booking link below so you can book the next online meeting for the Autumn term. Please use the link below to check my availability which will allow you to book a date and time that is suitable for you:

<https://go.oncehub.com/DPETammyBuchanan>

If you have any questions, please do not hesitate to contact me. Have a lovely Summer!

Many thanks,

Tammy Buchanan
