Hi Melanie,

Thanks for your email. I have copied Claire Buckton and Claire Booth into the email as they are involved in this from a Trust point of view and Claire Buckton was due to come along as well on that day. Given that it is close to the end of term, I am very limited on any free dates in my diary. The only other dates I can offer at this point are:

Wednesday 5th July at 10am

Monday 10th July at 11am

If you could please let me know if either of those work for you?

I look forward to hearing from you.

Many thanks,
Tammy

Hi Darren and Melanie,

Please find the meeting request for the Making the Rounds visit (data walk) as previously discussed with Claire. The walk will take just over an hour and will involve me looking around the school and discussing any data issues with you. Ideally I need to visit all offices, IT areas, the staff room, Reception area and some classrooms.

Just to advise, in order to set the meetings up, I have had to add you onto our Knowledge Bank platform as users, so you will have received a login for that. You will also receive an invite for a demo on the platform in the next few days.

I look forward to meeting you then,

Many thanks,
