Hi Gill,

Thanks for your time today, it was good to 'meet' you. Please find below the details we discussed:

Knowledge Bank: we talked about ensuring the staff on the Knowledge Bank are up to date and that training is done regularly and is part of the onboarding process. Here is the link for how to assign courses to staff: <https://dataprotection.education/site-updates/291-assigning-users-to-courses>

Policies & Templates: your data protection policy and privacy notices are due for an update this Summer, so just putting the template links below for your convenience:

[Model Data Protection Policy](#)

[Model Data Privacy Notice Pupils](#)

[Model Data Privacy Notice Workforce](#)

[Model Data Privacy Notice General](#)

We do recommend that you have all three of the privacy notices for full transparency. Further information about this can be found here: <https://dataprotection.education/best-practice-library/best-practice/transparency>

News: a reminder about the news area on our website being regularly updated and can be a source of awareness for staff: <https://dataprotection.education/news-top/news>

This article in particular may be good for awareness: <https://dataprotection.education/infosec/369-cyber-attack-manchester-university>

Supplier Due Diligence: I advised about the supplier due diligence we are undertaking at DPE. Further information about it can be found here: <https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step> this article also explains how you can check if suppliers are in the generic list on the Knowledge Bank.

Governors: we recommend that both data protection and cyber security is on the governing board's agenda regularly. This article may be of use and includes the link to the list of questions that governor's should be asking: <https://dataprotection.education/infosec/312-cyber-responsibilities-for-governors-trustees-in-schools>

I will shortly send you an invite for our next meeting in September which is an in person Making the Rounds (data walk) visit to your school.

If you have any queries or if I have missed anything, then please come back to me.

Have a lovely Summer

Many thanks,

Tammy Buchanan
