To: James Muschamp <jamesmuschamp@stanfordjun.brighton-hove.sch.uk>

Bcc: Tammy Buchanan <tammy.buchanan@dataprotection.education>

Hi James,

Thank you for your time today. It was good to see you again. Please find below the details we discussed:

Knowledge Bank: you confirmed that you have started to add staff onto the Knowledge Bank and have assigned courses to admin staff and governors. Further information about assigning courses can be found here: <https://dataprotection.education/site-updates/291-assigning-users-to-courses>. A reminder that data protection training should form part of the induction process.

Training: consider using the News area for extra staff training and some of the drip feed posters: <https://dataprotection.education/best-practice-library/documents/drip-feeds>

Policies: you have updated both the data protection policy and the privacy notices. Just a reminder that the ICO requires the DPO contact details to be available, so please consider an amendment to the data protection policy which currently states the headteacher as the DPO contact.

Supplier due diligence: we discussed supplier due diligence and creating a list of the suppliers that you share staff, pupil and parent information with. This could be listed at the end of the privacy notices and you could consider adding the data that you share as well. Further information about third party due diligence can be found here: <https://dataprotection.education/best-practice-update/296-due-diligence-step-by-step>

SAR: you confirmed that the school has received a SAR, I have recommended that this is added onto the Knowledge Bank so that it is logged with your data protection officer should any help or guidance be needed. Advice can also be given about redaction.

School photos: we discussed consent for the school class photo as per the ticket you raised. We did recently update the photo policy which you might find helpful: <https://dataprotection.education/best-practice-update/345-new-photo-and-video-policy-and-waivers>

I will shortly send through an invite for the Making the Rounds (data walk) visit in October and look forward to seeing you then.

Have a lovely Summer.

Many thanks,

Tammy Buchanan
Data Protection Consultant

BSc(Hons) Computer Science

ITIL 4 Service Management, NCFE Principles of Cyber Security
